Special Thanks

We hope that you have enjoyed this concert as much as we have enjoyed choosing pieces to illustrate the many sounds and dynamic ranges available from the organs and pianos we use to accompany our congregations. Some of the artists will have CDs available for sale at the reception.

The performers and our American Guild of Organist (AGO) chapter want to thank United Congregational Church for the use of this wonderful facility and to the United Church's Board of Music for hosting our reception.

The wonderful C3 – 6'1" Yamaha Conservatory Grand piano used for this performance was generously made available by Westport-Fairfield Piano, 322 Black Rock Turnpike, Fairfield, CT, 800.742.6618 and our fellow AGO member Peter Creighton, General Manager.

Although our performers are largely donating their services for this special concert, there remain many additional expenses. A suggested donation of \$10 per adult will help defray those costs; under 18/free. Net proceeds from today's concert will benefit the Louise Miller Organ Music Scholarship Fund.

Every year the Greater Bridgeport AGO awards a young organist performance major a scholarship to defer some of their education spending. We want to be able to increase this annual scholarship through programs like this today.
