Special Thanks

We hope that you have enjoyed this concert as much as we have enjoyed choosing pieces to illustrate the many sounds and dynamic ranges available from the organs and pianos we use to accompany our congregations. Some of the artists will have CDs available for sale at the reception.

Please take a moment to visit the Greater Bridgeport Symphony information booth and learn more about this musical venue with concerts that address music lovers of all ages.

The performers and our Greater Bridgeport American Guild of Organist (AGO) chapter want to thank United Congregational Church for the use of this wonderful facility and to the United Church's Board of Music for hosting our reception.

Although our performers are largely donating their services for this special concert, there remain many additional expenses. Your donation helps defray these cost. Net proceeds from today's concert will benefit the Louise Miller Organ Music Scholarship Fund.

Every year the Greater Bridgeport AGO awards a young organist a scholarship to help defer some of their education spending. We would like to be able to increase this annual scholarship through programs like this today. *Thank you for your support!*
